CIRCULAR

The Cadre Review Committee on Personnel Pattern and Administrative Management System for IGNCA had identified 72 posts in different cadres, as per details given in Annexure, SURPLUS and had suggested offering of suitable Voluntary Retirement Scheme (VRS) as one of the methods for easing out staff working against surplus posts.

Keeping in view the short span of service which most of the members of staff have covered so far and also absence of provision for any pension scheme, a liberal formula of Voluntary Retirement Scheme to be introduced in IGNCA was suggested for consideration by IGNCA Trust. The Trust kindly accorded approval to the proposal in their meeting held on 7th January, 2004.

Accordingly, a Voluntary Retirement Scheme, with following features and details is being offered to the members of staff working against posts declared surplus by the Cadre Review Committee aforesaid:—

- (a) The scheme will be applicable to employees who have completed 10 years of service on the date of application.
- (b) (i) Four months pay (basic pay+D.A.) for every completed year of service and (ii) 25 days pay for each remaining year;
- (c) Total number of years to be counted for payment of *ex-gratia* under this scheme will not exceed 33 years;
- (d) For any part of year, the number of days, for the *ex-gratia*, will be calculated on the basis of 365 days in a year;
- (e) A weightage of 5 years to the qualifying service shall also be given to employees opting for the scheme.
